Christian Armando Velasco Estrada

aka Culichi.

Smartphone Repair Assistant I Battery & Display Replacement

christian@culichi.lat · culichi.lat
github.com/ByCulichi · linkedin.com/in/culichi

Professional profile

I have completed three documented iPhone repairs: batteries on the 12 Pro and 14 Pro, and a display on the XR. I record each case and confirm post-repair functional checks. My LIDETEC participation certificate supports practical coursework in diagnosis, disassembly, measurement and repair; I am also studying Basic Electronics at ETO.

Target roles

· Smartphone repair assistant · Battery and display replacement · Smartphone technician in training

3	Battery / screen	LIDETEC
Documented repairs	Completed interventions	Course participation

Hands-on repair experience

01

Three completed repairs with original photographs. Confirmed final checks: power, charging, touch, cameras, audio, Face ID and battery settings.
