My profile

Residential electrical maintenance with documented outlet, switch and ceiling-light replacements, polarity and protective-earth checks. Complementary training in AC/DC measurement, industrial electricity and control.

7	EN / ES	AC / DC
Years in bilingual service	Working languages	Measurement training

Skills & capabilities

01

Residential installations

Outlet, switch and luminaire replacements; training in conductors, load calculations and installation standards.

Residential · Wiring · Lighting

Measurement & diagnosis

AC/DC voltage, clamp-current measurement, resistance, de-energized continuity and protection checks in training.

Multimeter · AC/DC · Clamp meter

Drawings & circuit foundations

Electrical symbols, drawings, Ohm/Kirchhoff laws and circuit analysis applied in course exercises.

Drawings · Circuits · Diagnostics

Industrial systems & control

Ongoing study: three-phase systems, motor starting/protection, contactors, control/power circuits, maintenance and photovoltaic foundations.

Motors · Contactors · Maintenance

Residential Electrical Maintenance & Industrial Training

Professional experience

02

Professional support and operations background complements residential service, communication and documentation. Electrical work and course practice are listed separately.

Tata Consultancy Services (TCS) — Oct 2025 — present

Operations Supervisor

San Pedro Tlaquepaque, Jalisco · Hybrid

Supervise daily operations, follow SLA commitments and incident response times, apply escalation protocols and monitor quality metrics and time management.

Tata Consultancy Services (TCS) — Nov 2023 — Oct 2025

Technical Support Analyst · Energy Operations

Guadalajara, Jalisco

Monitored technical queues involving network issues, service outages and system-impact incidents. Worked with billing services and telecommunications billing.

Alorica — Dec 2022 — Aug 2023

Logistics Operations Analyst

Guadalajara, Jalisco · On-site

Coordinated business-critical deliveries using internal ticketing and tracking systems, maintaining follow-up across logistics operations.

TTEC — Apr 2019 — Oct 2022

Training Technician / Tier 2 Technical Support

Guadalajara, Jalisco · Hybrid

Provided Tier 2 support for mobile devices, investigated hardware and software incidents through root-cause analysis, and delivered technical training.

TP — Aug 2017 — May 2018

Customer Support & Sales Representative

Guadalajara, Jalisco · On-site

Provided bilingual customer and billing support in high-volume environments, with experience in new-hire and sales training.

Residential Electrical Maintenance & Industrial Training

Completed work & course practice

03

Residential outlets, switch & lighting

- **Completed work**

Two documented outlet-replacement cases, switch replacement and two ceiling luminaires. Confirmed polarity and protective-earth checks, with original photographs and a recorded 119.3 V AC measurement.

Residential | Measurement | Documentation

View work

Installation board & float-switch control

- **Course practice**

Course practice assembling and wiring an installation board, with photographs and a float-switch video demonstration. START/STOP contactor practice remains planned.

Wiring | Control

Certifications & education

04

LinkedIn Learning

Electrical Systems: Reading Drawings and Schematics

- **Completed · document pending**

Completed course on electrical drawings and symbols. Certificate confirmed by the owner; original file pending upload.

Universidad Internacional · RED CONOCER

Electrical Fundamentals & Industrial Electricity

- **In progress**

Ongoing residential and industrial training: circuits, installation, control and motors. Certificate pending program completion.

Udemy

Basic Electrical Installations

- **In progress**

Residential installations and electrical foundations. Certificate pending course completion.

Udemy

Electrical Measurements

- **In progress**

AC/DC voltage, AC clamp current, resistance, de-energized continuity and protection checks. Certificate pending course completion.
