Currently studying basic electronics at Escuela Tecnológica de Occidente, with additional smartphone repair coursework at LIDETEC.

EDUCATION AND TRAINING

- Escuela Tecnológica de Occidente — basic electronics, in progress.
- LIDETEC — smartphone repair course participation certificate, issued 1 August 2026.

TRAINING TOPICS

- Electronic components, circuit fundamentals, multimeter measurements and board handling.
- LIDETEC coursework: soldering, hot-air handling, component and connector work, and introductory microsoldering.

LEARNING PLAN

- Audio/radio, television/video and digital systems are future training tracks.

TRANSFERABLE EXPERIENCE

- 5+ years of bilingual customer service in English and Spanish.
- Clear communication, user support, problem solving and conflict resolution.

Languages: English / Spanish — bilingual customer service experience
